

WINE WISDOM

Trip To Sip, Napa Tasting Venues To Travel For

There are hundreds of tasting rooms throughout California where you can enjoy wines at rustic bars or fancy tables. However, many wineries have upped the ante by providing attractive amenities to pair with your tasting.

LOCAL TASTING NOTES

If you're in the mood to educate your palate in between trips to Napa, there are certainly opportunities closer to home. The Press Club on Yerba Buena Lane features the home-away-from-home tasting rooms of eight Northern California Wineries, including Minor Family Vineyards, Chateau Montelena, and Mount Edna. The cozy, contemporary, large but intimate setting makes it a fun spot to taste with friends. Flights and bites are also available.
