TASTE NOW

The Runner-Up

Proving that all good things are worth waiting for, [Press Club](#) finally opened yesterday, bringing a whole new world of wine tasting to Yerba Buena Lane. The underground space hosts eight pouring stations for wine-country vintners, including Fritz Winery and Landmark Vineyards. With Press Club's tasting charge card, the pricey sips have a way of adding up, but the gorgeous hardwood furnishings, savvy staff, and proximity to home make it worth the cash. 20 Yerba Buena Ln., Downtown, 415.744.5000.
